The hour at which the crime was committed is very essential, for upon it hangs the alibi which Sears seeks to establish. It if was later than 10 o'clock there is a likelihood that it will be difficult to fix the guilt upon Sears, for it was said late to-night that he boarded the Brunswick car at least several miles from Dutch Neck.

The detectives think, however, that the original statement of Mrs. Sears that the shooting was done between 8 and 9 o'clock is the more likely. Holding terriciously to the theory that Sears the culprit they argue that after the shooting he boarded a car, got as far away from Dutch Neck as he could before the b st car home met his and then returned and gave the alarm

EDUCATION IN SPAIN. Senate Discusses Secularization King Alfonso Returns. pecial Cable Desputch to THE SUN.

MADRID, Nov. 24. In the Senate to-day the question of secular education was discussed. The Bishop of Madrid said that all civilized nations, with the exception of France, have religious education, and that statistics since France did away with such education show that crime has increased greatly in that country.

The Minister of Education, Count Yarini was apparently worshipped as Romanones, denied that the Government
